

The 1<sup>st</sup> Annual Boyceville  
Science Olympiad Invitational  
Division C

---

Introducing a new, exciting opportunity for Science Olympiad Division C teams in the Upper Midwest! The First Annual Boyceville High School Science Olympiad Invitational Tournament will be held on Saturday, December 15, 2007 at:

Boyceville High School  
1003 Tiffany Street  
Boyceville, WI 54725

This tournament will provide your students with a unique opportunity to learn all the Wisconsin Science Olympiad events for 2008 and enhance their knowledge to better prepare themselves for the state tournament in April, as well as compete with other teams from around the Upper Midwest!

Individual medals will be given to the best performers in each event (based on total team participation), and team trophies will be awarded to the top overall teams, as well as the best performing small school.

The cost for participating in this tournament is \$40, which will be used to help offset the cost of the awards. If this cost is a hardship to any team, they are asked to contact the tournament director.

Interested teams are asked to complete the attached registration form and return it to Boyceville High School, attn: Andrew Hamm. The registration deadline is FRIDAY, NOVEMBER 2, 2007. Any teams who wish to register after this deadline are subject to a late fee of \$25. The tournament director reserves the right to restrict the total number of teams entered based on available facility space.

All Wisconsin Science Olympiad Division C rules apply. Any questions can be directed to the tournament director:
